Human Resource Council

HRC is able to offer homeowners (including mobile home owners) an opportunity to conserve water and contribute to habitability and long-term preservation of your home. If you **OWN** and **OCCUPY** your home and cannot afford or find financing for the repairs listed above, you may be eligible for a low interest loan with repayment terms tailored to the household's budget. Loan payments may be deferred. HRC has money for loans to **qualifying homeowners residing within the service area of Missoula Water customers**. HRC will do a site visit at no cost to the homeowner, and inform the homeowner of the home's needs. HRC can help you solicit bids on the necessary work to be done.

Qualifying Families Must Meet 2024 Median Income Guidelines
